Scott Article Traces Mineral Development, Abstracting in County

DON SCOTT, owner and manager of the Don Scott Abstract and Title Co., Harrisburg, has written an interesting article in Title Record, official publication of the Illinois Title association, composed of abstractors, title examiners and title insurance companies in this state.

Atty. Scott was the editor of the publication for the February issue and he wrote an article titled "Mineral Development in Saline and Adjoining Counties and Its Relationship to Abstracting."

A history of the area is related first. Scott tells of the mountains of this area formerly being called the Ozarks, but now are referred to as the Shawnee Hills, a name derived from the tribe of Indians of that name.

He tells of the great upheaval and of the injecting into the upper strata of the earth's surface "juices" that become fluspar, lead, zinc, cadmium, germanium and iron ore, together with other minerals.

"In the sixteen counties comprising the southern part of Illinois are found the most numerous and the richest mineral deposits in the state, together with beautiful scenic areas," he writes.

Salt-making near Equality, an early big industry, and slavery in the area are discussed. There also was extensive promotion of the iron smelting industry.

Then comes a discussion of coal and oil development in Saline county.

For many years, it is pointed out, the coal industry resulted in a large amount of abstracting and title work in this county.

Regarding oil, before June, 1953, there were only a few small wells in Saline county, with little consequent abstracting.

"In June, 1953," it continues, "the Green Hill pool two and a half miles north of Eldorado was developed. The wells were small and the development was slow. However, in March, 1954, the discovery well in the Eldorado pool was brought in.

"Beginning with the discovery well in the Eldorado pool, the boom in Saline county really began."

During 1955, 143 oil wells were completed in Eldorado township and in 1955 there were 207 operations in the one township.

"Oil and gas promotion had quite an impact on the abstracting business and on the volume of work in the recorder's office in Saline county," he writes. "At the height of the boom, there were two local abstractors preparing abstracts for oil companies, together with three outside abstractors from adjoining counties. At one time in the court house there were 39 persons doing abstract work, including typists and abstractors. The largest abstract prepared was 8,000 pages.

He tells of the big increase in work in the recorder's office, where in 1952 a total of 5,512 instruments was filed. In 1953 the number jumped to 6,090, in 1954 to 7,204 and in 1955 to a record 11,466. The number dropped to 7,807 in 1956.

Atty. Scott concludes that abstracting has become about normal again as oil exploration and development have subsided considerably.

Harrison Allen, 67, Former Resident, Dies at Pontiac, Mich.

Harrison Allen, 67, former resident of Harrisburg, died in Pontiac, Mich., yesterday. He had resided in Pontiac for seven years, but was formerly employed by the New York Central railroad at Harrisburg.

Funeral services will be held in Pontiac and burial will be there.

He is survived by his wife, Bessie, and eight children: Mrs. Juanita Stricklin, Harrisburg; Mrs. Pearl Vermette of Pontiac; Mrs. Violet Kruehek, Chicago; Mrs. Bonnie Souheaver, Pontiac; Mrs. Helen Kenny, Baltimore, Md.; Mrs. Irene Wanke, Pontiac; Mrs. Barbara Gellow of Pontiac; and one son, Fred, of Sunland, Calif.; also one step-sister, Mrs. Grace Farmer of Harrisburg, and 18 grandchildren.

Teamsters to Face Charge

Senate Probers to Ask Beck and Brewster to Reply to Testimony

WASHINGTON (UP)—A spokesman said today the Senate Rackets Committee plans to confront top Teamster Union officials with charges they tried to take over law enforcement in Oregon.

The spokesman said they would be asked to confirm or deny the charges made in testimony before the committee.

Committee Counsel Robert F. Kennedy told newsmen the union leaders would also be asked whether they were willing to contribute \$10,000 to the campaign of Democratic Gov. Robert Holmes if their man were appointed to the state Liquor Commission.

Kennedy said the questions would be put to Union President

Frank W. Brewster, head of the Western Conference of Teamsters, when they testify later in the racket hearings.

Beck touring Europe

Beck is now in Europe, but he has said he will return March 26 to testify. He denied he left the country to avoid a subpoena.

The committee has subpoenaed Brewster to appear before it after hearings resume Tuesday. Brewster already has been cited for contempt of Congress for refusing to answer another Senate committee's questions about his union's finances.

Howard Morgan, Oregon state Democratic chairman from 1952 to 1956, swore Friday that Beck and other Teamster officials figured in an attempt to take over state law enforcement "from the local level up to and including the governor's chair."

Other major developments in the hearings' fourth day of sensational testimony:

—Chairman John L. McClellan (D-Ark.) declared "someone has absolutely perjured himself" in testimony about an attempt by union-backed racketeers to take over Portland's lucrative pinball business. He asked the Justice Department to prosecute.

—Portland pinball operator Stanley G. Terry flatly denied testimony that he paid \$10,000 to Brewster to get into the union to break the pinball monopoly that was freezing him out of business. Portland racketeer James B. Elkins testified Terry told him he paid Brewster \$10,000 or more after Teamsters picketed cafes using his machines.

World Day of Prayer Observance Friday, March 8

United Services at Charleston Street Church of God

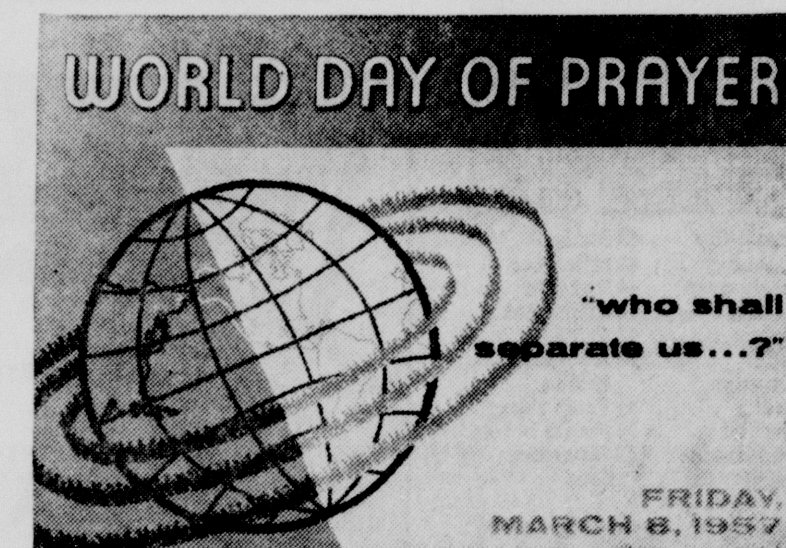

The United Church Women of Harrisburg will observe the World Day of Prayer in a service at the Church of God on Charleston street in Dorrisville, Friday, March 8, at 7 p. m. The public in general is invited to attend the World Day of Prayer service.

The annual observance of the World Day of Prayer, the first Friday in Lent, this year will mark the 71st anniversary of an institution which had its birth as a United States observance sponsored by a small group of church women and which has spread to the far corners of the globe touching 143 different areas in six continents.

The global prayer chain, which will begin at daybreak in the Fiji and Tonga islands just west of the international date line where Queen Salote leads her subjects in prayer, will progress until the sun sets 24 hours later on St. Lawrence island in the Bering sea midway between Alaska and Samoa. At no time during the day-long journey of the sun will the prayerful vigil be broken.

Theme of Service

This international ceremony, a striking manifestation of the world brotherhood and universality that man is more and more earnestly seeking, will be repeated in some

sixty languages and more than one thousand dialects.

The theme of this year's service is based on a New Testament text, Romans 8:35: "Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?"

In the United States, where observances will be held in 20,000 communities, an order of service issued by the United Church Women will be used, written by a Hungarian emigre, Serena Vasady, whose personal experiences in war-torn Hungary give poignant meaning to her supplications for world unity. In it are voiced the testimonies, the yearnings, and the prayers of Christians who are to-

day living behind the Iron Curtain.

The United Church Women organization points out that Brotherhood among peoples of all races and cultural backgrounds is an urgent need. All about us are evidences of a sorely divided world; forces that separate men from one another are strong.

Far Short of Ideal

Even though the idea of one world began 2,000 years ago when Jesus of Nazareth preached the brotherhood of man, we realize how far short we come of the ideal. Rapid strides in transportation and communication and scientific investigations have large-

Wildlife in

Uptown Eldorado

A young, but powerful and very lively prairie wolf was displayed in the Eldorado business district Friday and attracted much attention.

The wolf was caught in a trap by John Gwaltney in the Broughton community. It is reported wolves have been attacking stock in the area and several of the wild animals have been shot, but Mr. Gwaltney is the first to take a wolf alive.

After trapping the wolf Mr. Gwaltney, who lives at Raleigh and operates the Bradley Poultry house in Eldorado, brought the animal by truck to Eldorado where it was viewed by many, but from a distance, as it was a snarling, snapping, non-friendly and very unhappy wolf.

Indict Couple For Murder

SALEM, Ill. (UP)—The young married couple who confessed slaying a Marine while on their honeymoon trip were held without bond today awaiting arraignment in circuit court.

Robert Baker, 26, Wormleysburg, Pa., and his bride, Trudy Jo, 17, were indicted by a Marion County grand jury Friday. They are charged with murdering Marine Pvt. Larry M. Kirk, 21, Winslow, Ind., whose body was found shot in the back last December in a weed patch near Salem.

Baker and his wife were arrested on a traffic violation at Prosser, Wash., Feb. 10, and during questioning confessed to the slaying, Washington authorities said.

Circuit Judge Ward Holt appointed attorney John Kagy as counsel for the Bakers, who will go before Holt March 13 to enter their plea.

Clear Marine Drill Sergeant

PARRIS ISLAND, S. C. (UP)—A court-martial board cleared a Marine drill sergeant Friday of charges that he forced a recruit to stuff himself with candy until he choked.

The same board that found Sgt. Daniel J. Corey, 28, of Somerville, Mass., innocent of four maltreatment counts also reduced the sentence of another drill instructor convicted of hitting a recruit at this Marine training camp.

Former Sgt. Charles L. Jones of Pensacola, Fla., earlier was sentenced to 30 days in the brig, ordered to pay a \$50 fine and reduced to private first class for striking Pvt. George D. Toper, 20, of Watertown, N. Y.

However, the summary court martial board reduced Jones' sentence to a fine of \$20, downgraded his rank to corporal and threw out his imprisonment.

Israel Military Leaders, Burns to Plan Withdrawal

Court Dismisses Indictments Against Nickell, Dunbar in Food Hauling Case

CHICAGO (UP)—Cook County State's Atty. Benjamin S. Adamowski today prepared an appeal of a court ruling which quashed indictments against State Supt. of Public Instruction Vernon L. Nickell and three other men which charged them with defrauding the state and conspiracy.

The indictments, which were returned last September, were thrown out Friday by Chief Justice Wilbert F. Crowley and Judges Elmer N. Holmgren and Harold P. O'Connell.

Nickell and the three other men named in the indictments were accused of conspiring to defraud the state and fixing prices on delivery of surplus food to school lunchrooms.

The three others were James W. Dunbar, presently Sangamon County probate clerk and former surplus food distributor for Illinois; Harold A. Wolfe, Evanston, state director of school lunchrooms; and Frank O. Washam, lunchroom head for Chicago schools.

In dismissing the indictments, the judges said the charges against the accused were so vague that an adequate defense could not be prepared against them.

Former State's Atty. John Gutknecht, who directed the indictments before a grand jury, had no comment on learning of the judges' decision, but his successor, Adamowski, said he would take the case to the Appellate Court.

Dentist's Wife, Student Policeman Shot to Death

MONMOUTH, Ill. (UP)—A coroner's jury has returned a verdict of murder and suicide in the mysterious deaths of a 28-year-old Monmouth dentist's wife and a young student-policeman.

In its verdict Friday night the jury said that Jack Ryan, 25, shot and killed Mrs. Austin McGreal with his police revolver and then took his own life. Their bodies—partially nude—were found in the McGreal home Friday.

Kenneth Morrison, Jr., Mrs. McGreal's brother and a fellow student of Ryan's at Monmouth College, said he discovered the bodies when he returned from his studies shortly before noon.

Police Chief Vincent Romano said that Ryan had been granted a leave of absence Thursday "for personal reasons." Morrison said Ryan had always been "a friend of the family."

Morrison, who lived with the McGreals, said that Mrs. McGreal had earlier told him and her husband that she was going to rest after doing the family washing. Neither he nor McGreal could offer the jury any motive for the shootings.

The McGreals have two children, Terry, 9, and his infant sister, Kim.

Mother of Two To Go on Trial at Marion for Murder

MARION, Ill. (UP)—A mother of two will go on trial Monday in Williamson County Circuit Court on a murder charge.

Mrs. Ouida Cannon, 30, is charged with slaying her husband, Raymond Lee Cannon, 31, with a shotgun as he slept last August 31. The slaying occurred at their rural home southwest of Marion.

She told authorities that her husband had "slapped me around." She was indicted on the murder charge by a grand jury last September.

Judge Harold Zimmerman called for 90 prospective jurors to appear Monday and 90 more Tuesday.

Eisenhower Would Like Trip to Arizona To Get Rid of Cough

WASHINGTON (UP)—President Eisenhower said Friday he would like to "get away for a couple of days and get rid" of his cough—possibly in Arizona.

Maj. Gen. Howard McC. Snyder, the President's physician, said the cough that has plagued the President since his second inauguration has improved in the last week.

However, acting White House Press Secretary Murray Snyder said after checking with the doctor that the President's cough still bothers him during the day although it does not disturb his sleep.

Gallatin County Woman Dies

Mrs. Flora Berkel Rummele, 78, died last night at the home of Mr. and Mrs. Thomas Seidler, two miles east of Ridgway in Gallatin county. The body is at the A. K. Moore funeral home in Equality and arrangements are incomplete.

Eddie Quade to Head HTHS Key Club Next Year

Eddie Quade

(J. R. Metcalf Studio Photo)
Eddie Quade, son of Mrs. Betty Dunn, has been elected president of the HTHS Key club for the 1957-58 school year. Others elected to office were: Vice-president, Donnie Beggs; secretary, Jon Frohock; and treasurer, Edward Bowles.

These officers will replace the old officers: President, Bill Bottemley; vice president, Bryan Jones; secretary, Eddie Quade; and treasurer, Charles Cummins.

John Schork is sponsor of the Key club. The HTHS Key club is a member of the International Key Club association and is sponsored by the Harrisburg Kiwanis club.

Gates Named Navy Secretary

WASHINGTON (UP)—Thomas S. Gates Jr., the Navy's new civilian boss, is a veteran of wartime naval duty in both the Atlantic and Pacific.

Gate, who has been Navy undersecretary since 1953, was a reserve naval intelligence officer in World War II. He retired as a captain.

President Eisenhower announced Friday that Gates would succeed Navy Secretary Charles S. Thomas as who resigned effective April 1.

Thomas, who has been in government four years since leaving a Los Angeles clothing business, gave no reason for quitting.

Mr. Eisenhower praised Thomas as contribution to "the strength and readiness of the Navy and the efficiency of the Defense Department." He also lauded his "sound judgment."

Indicate Gaza Strip Action Will Be Delayed

First Phase Will Be Withdrawal Along Gulf of Aqaba

BULLETIN

JERUSALEM (UP)—Premier David Ben-Gurion called his cabinet into emergency Sabbath session today. There were reports the government might reconsider Israel's pledge for a "prompt and full" withdrawal from the Gaza Strip unless guarantees were given.

By United Press

Israel announced today its military leaders would meet Sunday with United Nations officials to plan the Israeli withdrawal from Egyptian territory along the Gulf of Aqaba.

There were indications the withdrawal from the Gaza Strip would be delayed until the United Nations makes good on Israeli "assumptions" the area will be administered by U. N. forces during a transitional period.

Maj. Gen. Moshe Dayan, chief of staff of the Israeli armed forces, announced he was meeting Maj. Gen. E. L. M. Burns, head of the U. N. Emergency Forces (UNEF) at Lydda Airport in Israel Sunday to arrange the Aqaba withdrawal.

Informed sources in Tel Aviv said the two generals would discuss only the "preliminary arrangements" for the pullback from Sharm El Sheikh, the Egyptian fortress dominating the entrance to the Gulf of Aqaba.

Follows Withdrawal Promise

Israeli sources said this was the "first phase" of the withdrawal announced Friday in New York by Mrs. Golda Meir, the Israeli foreign minister, and that withdrawal from the Gaza Strip will come later.

Mrs. Meir, in announcing Israel's intentions, mentioned two "assumptions":

1. Freedom of navigation in the Gulf of Aqaba will be continued, backed by U. S. declarations that the gulf is international waters.

2. The UNEF, not Egypt, will be the agency to set up civil services in Gaza and remain in control until the issue is settled.

Observers in Jerusalem believed Burns and Dayan would fix a date for a further meeting to discuss the Gaza Strip and plans for a U. N. takeover there. Burns has asked Israel not act until he has talked with Dayan.

The situation was pleasing to neither Jew nor Arab. Premier David Ben-Gurion of Israel faced a political rebellion, and an Egyptian spokesman said the Arabs would believe the Israeli withdrawal when they see it.

Israel Politics Affected

Several Israeli political parties called demonstrations for today in the principal cities of Jerusalem, Tel Aviv and Haifa against the settlement. Two of Ben-Gurion's coalition cabinet parties were in revolt and may cause a political crisis this week end.

The Arabs indicated they were suspicious of the Israeli withdrawals despite a promise to nine Arab leaders in Washington by Secretary of State John Foster Dulles denying reports of any "deal" and saying there were "no conditions" to the Israeli withdrawal.

The independent Cairo newspaper Al Ahram said today the withdrawal must be "unconditional" and that Egypt will not be bound by any promises given to Israel by the United States. It said Egypt will "win her full rights if it takes her a thousand years and means the shedding of the last drop of blood."

Eisenhower Salutes Four-H Club Members

President Dwight D. Eisenhower has issued special greetings to the more than two million 4-H Club members on the occasion of National 4-H Club Week, March 2-9. "During National 4-H Club Week, it is always a pleasure to recognize the accomplishments and contributions of the 4-H Club movement," the President said. "With more than two million members, guided by dedicated community leaders, your work and spirit are a source of national strength. "This year, in developing your theme of 'Improving Family and Community Living,' I am glad to learn your vision includes the whole family of nations and our total part in the life of the world community. "Your International Farm Youth Exchange program is an effective demonstration of the sincerity of this vision. As you help promote understanding and friendship with youth of other lands, you cultivate a strong stand of peace and freedom."

SIU Country Column

By Albert Meyer

Lengthening hours of daylight and growing frequency of warm days herald the approach of spring. Southern Illinois farmers who have fields of wheat may catch the hint of spring in an awakening of the wheat plants as they take on a fresher green color and begin to grow again.

Dr. Joseph P. Vavra, a soils specialist at Southern Illinois University, says that when this renewal of growth starts in the spring, the farmer ought to add nitrogen fertilizer as a top dressing on the wheat field to increase the crop yield.

He says that test results show such applications are a profitable investment, returning about two dollars in increased wheat yield for each dollar's worth of fertilizer applied. It requires 60 pounds of nitrogen, along with other plant foods, to produce 40 bushels of wheat per acre. It is assumed that about one-half of this requirement is released naturally in the average soil of Southern Illinois farm land. That means that the farmer ought to put on about 30 pounds of nitrogen per acre to get a full yield of wheat. This is equivalent to 150 pounds of sulfate of ammonia or 90 pounds of ammonium nitrate. Tests by Vavra have shown that this increases the yield about five bushels per acre.

Spring top dressing of wheat ought to take place by the first week of March, if possible, in order that the grain plants may have a vigorous growth boost. The fertilizer should be spread over the surface with a broadcast fertilizer applicator when the wheat leaves are dry so that the fertilizer particles will roll off the plants onto the soil without damage to leaves.

One problem in spring top dressing of wheat is muddy fields. When fields have been rain soaked or only recently thawed, they are likely to be too soft for satisfactory use of a tractor and fertilizer spreader. Therefore, it is a good idea to arrange farming activities so that the application can be made at the earliest time the fields are solid enough to keep the equipment from forming ruts.

Vavra points out that wheat growers in the claypan soil area of Southern Illinois may avoid this spring top dressing chore by applying the nitrogen at seeding time. Tests at SIU have shown that on soils leaving a tight layer of clay below the surface there is an insignificant difference in yields between wheat that had the nitrogen applied in the fall and that which was top dressed in the spring. This is explained by the fact that the claypan soil has slow moisture permeability and, therefore, nitrogen is not significantly leached away during the winter. This does not hold true for deep, loose soils.

Hay and pasture crops, particularly those including legumes, may get a production boost by top dressing with fertilizers. However, this application is usually recommended for a later date after the first grazing or after the first crop has been harvested in late spring.

Nitrogen is not required in the fertilizer for legume mixtures, but phosphate and potash are needed to maintain a good forage stand. Alfalfa stands on average Southern Illinois soils that are low in organic matter and inherently low in potash may be profitably maintained by top dressing with at least 100 pounds of muriate of potash after the first cutting of hay. Alfalfa-grass stands in pastures or meadows ought to be top dressed with 200 pounds of an 0-20-20 fertilizer after the first crop has been harvested.

Notes from Farm Adviser

By L. B. Kimmel

I attended a dairy clinic in Carbondale Feb. 28 at which time Dr. Peterson of Minnesota spoke on the control of mastitis in dairy cows. Dr. Peterson has done more research than any one man in the world on mastitis. He listed the following causes:

1—Injury from milking machines too long on the cows. They should be removed immediately after the cow is milked. Too much vacuum or suction force—nine to 11 pounds is proper and more vacuum causes injury.
2—Low sills in barn doors bruising the udder.

Acreage Reserve Payments for Corn Explained

Payments under the 1957 Corn Acreage Reserve program are made to farmers for reducing their acreage below the farm allotment, Herman Driskell, chairman of the Saline County Agricultural Stabilization and Conservation committee, said today. The payments will be divided among landlords and tenants, according to (1) the contributions each makes to the production of the crop which would have been produced on the diverted acreage and (2) the basis on which they would have shared in such crop or its proceeds.

The amount of the payment, the chairman explained, will be figured on an individual farm per-acre rate, based on the average county dollars-and-cents rate of \$36.00 per acre. Farm rates per acre will vary, up or down from the county rate, in accordance with the productivity of the land and the farming methods used.

Driskell declared that farmers taking part in the Soil Bank's 1957 Acreage Reserve Program for Corn must reduce their acreage of the crop below the farm allotment, and they must also comply with any other crop allotment established for their farms. The chairman emphasized, however, that taking part in the Acreage Reserve Program will affect the establishment of future allotments for the farm.

Producers have until March 8 to sign agreements to participate in the 1957 Corn Acreage Reserve Program.

At the time the agreement is signed, the farmer may put up to the maximum number of acres in the program, but in no case may this maximum exceed the acreage allotment. The maximum for corn is 20 acres or 30 per cent. Should the farmer wish to put a larger acreage to the program, he should indicate this at the time the original agreement is signed, and the additional acres will be accepted if the necessary funds are available after the program sign-up is closed.

WEBQ Baptist Hour Schedule

Schedule for the Baptist Hour Association program over radio station WEBQ daily from 7 to 8 a. m. is as follows, with the church and minister in charge:

March 3, Baptist Foundation, Carbondale.

March 4, Saline Missionary Ernest Ammon.

March 5, Equality Baptist, Rev. Clayton Humphrey.

For any question about this schedule, call or write Rev. Ernest Ammon, 113 West Elm street, Harrisburg, Ill.

3—Short floor space from stanchions to gutter causing injury when the cow lies down and gets up.
4—Cold concrete with little or no bedding for the cow. Use plenty of straw.
5—Frequent use of antibiotics strange to say is another cause of mastitis, as they lose their effect and cause adverse reactions.

Treat the cow properly — gentle management for most efficient milk production. A diseased cow should be milked last and sent to market after a few "flare ups" or cases of mastitis.

Too many farmers are testing soil for lime and phosphate and treating their soil for both, then leaving off the potash (150 to 200 pounds each two years in southern Illinois). They just don't get the corn, soybeans and legume yields.

Better results have been found where lime and phosphate have been added than lime and phosphate alone. It takes all three plus nitrogen or clover to get the big yields.

In other words don't overlook potash in your soil treatment.

Tri-State Shorthorn Sale March 9

The newly organized Tri-State Shorthorn and Polled Shorthorn Breeders' association will hold its first semi-annual show and sale at the Albion, Ill., Fairgrounds, Saturday, March 9. The cattle will be judged by Dr. E. M. Travelstead, Harrisburg, in the morning starting at 9:30. The auction sale will begin at 12:30 p. m.

Fifteen bulls, all of serviceable age will be sold. There are 35 female lots, consisting of 15 cows with calves or ready to calve in the spring, 12 bred heifers and 8 open heifers.

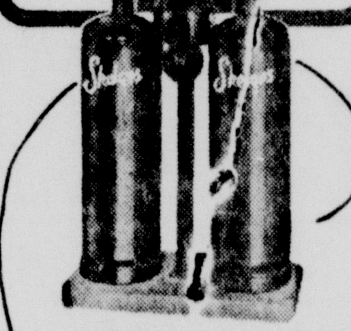

These cattle are being consigned by 21 Shorthorn and Polled Shorthorn purebred breeders from Illinois, Kentucky and Indiana. The Tri-State Association will hold a meeting and banquet at Albion the evening before the sale.

Federal money is available under Public Law 566 to help local organizations plan and operate watershed programs for flood control.

Laboratory tests on vibrating small-grain metering devices show them to be accurate to within 5 percent of the desired rate within the ranges of 2 to 32 pounds a minute.

Another **BUTLER** Building at Work

Standard **BUTLER** building does "made-to-order" job for Santa Fe Trail

Three quarters of both sidewalls on this Butler steel building are occupied by loading doors. Through these doors Santa Fe Trail keeps a huge—and growing—tonnage of freight on the move from trucks to trailers. Every bit of space pays its way. Butler's strong rigid frame (not the sidewalls) supports the building. This makes use of banks of loading doors inexpensive, yet safe. And Butler bolted construction permits Santa Fe Trail to expand easily—at lowest construction cost.

Social and Personal Items

Circles of Presbyterian Guilds Hold Monthly Meetings
The circles of the Women's Guild of the First Presbyterian church met on Wednesday, Feb. 27 with the following hostesses:

Sarah Wiedemann with Mrs. Gordon McGehee; Nella Gregg with Mrs. Jesse Burley; Carrie Wilson with Mrs. Clarence Bosket and the Mary Seten with Mrs. James Mitchler.

The Bible study, "Nationalism Versus Internationalism," was given by the following: Mrs. Jesse Burley, Mrs. Harry Hess and Mrs. Perry Moore.

The social education and action topic, "People and Bread," was given by Miss Grace Collier, Mrs. Cecil Dameron, Mrs. John Jarrell and Mrs. Gordon McGehee. Mrs. Edwards, Mrs. LeRoy Reese, Mrs. Fred Gilbert and Mrs. Sam Cape gave the Year Book of Prayer.

A money making project was discussed by the circles during the business meeting for the purpose of contributing to the building fund of the church.

Delicious refreshments were served by the hostesses.

Veterans of World War I Ladies' Auxiliary
Installs New Officers
The February meeting of the Ladies' Auxiliary No. 523 of the Veterans of World War I of the U. S. A. was held in the city hall at Harrisburg where a permanent place has been obtained for the meetings.

Mrs. Mabel Estes, president, presided over the short business meeting. Officers for 1957 were elected and installed by Mrs. Lowell Hess of Eldorado, first district president, installing officer, and Mrs. Marie Tucker, Eldorado, installing conductor.

New officers are: President, Effie Slankard; senior vice president, Mabel Estes; junior vice president, Lillie Estes; secretary, Lola Ridley; treasurer, Peoria Langford; chaplain, Eva Estes; conductress, Deanna Sieveking; guard, Mrs. Cora Dixon; trustees, Lillie Newcom, Cora McIntosh and Lulu Cummins.

New members will be welcome and are invited to attend and bring a friend. This organization is only one year old and is making a rapid growth.

District Officers Entertained
By Eldorado Woman's Club
District officers were guests at the meeting of the Eldorado Woman's club Tuesday evening in the club rooms at the Calvary Baptist church where a program on American Citizenship was given.

Mrs. J. L. Miller of Harrisburg, president of the 24th District, I. F. W. C., was the guest speaker and addressed the club on the subject of "The Power of Your Vote."

She gave a most informative talk, explaining and giving proof of the importance of just one vote, and urged the club women to go to the polls and exercise their great American freedom, the right to vote.

Besides Mrs. Miller, other district officers present were Mrs. Clyde Pittman of Harrisburg, corresponding secretary, Mrs. Ralph Seel of Ozark, parliamentarian, and Mrs. Hack Wilson, Eldorado, treasurer. Another welcome guest, known so familiarly in the district, was Mrs. Roy Milburn of New Burnside.

Miss Ruth Hamilton was chairman of the program and presented the hostesses, Mrs. Amos Pulliam, Mrs. W. A. Knoop and Mrs. C. C. Simpson.

Following the program, a lovely social hour was enjoyed with Mrs. James Garner, chairman of Group VII, carrying out the chairman's plans for a birthday party. A large and beautifully decorated birthday cake carrying out the club colors of pink, green and white, centered the table, flanked on either side by silver candelabra with pink and green candles. This cake was cut and served with ice cream and coffee, during a delightful hour of visiting.

Delta Theta Tau Plans
For Annual Cancer Drive
Delta Theta Tau held its business meeting at the library Monday evening with Miss Barbara Thompson, vice president, presiding.

The new initiates, Mrs. David Bowen Jr., Mrs. Bill Ferrell, Mrs. Ron Riegel, Mrs. Bob Ozment, Miss Marlene Cotton, Mrs. Rae Reinhardt, Mrs. George Edward Dalton, Mrs. Joe McGuire and Mrs. Elmer Wallace, turned in \$81 to the philanthropic fund which they had earned on the pledge project of which Mrs. Reinhardt was chairman.

Mrs. John W. Towle Guest
Speaker At Saline County Garden Club Meeting

A Washington's birthday tea was held in conjunction with the February meeting of the Saline County Garden club at the home of Mrs. Harry Barter.

The business session was presided over by the president, Mrs. Michael Reshetter. Twenty members answered roll call by responding to the suggestion, "My Heart's Desire" for a spring garden. Among the correspondence were two cards from Mrs. A. M. Hetherington who has spent the past two months in Tucson, Ariz.

Plans were made for the Garden club regional meeting to be held at the Presbyterian church in Harrisburg on Thursday, March 28. Various chairmen were appointed to make ready for the event at which the Evergreen Garden club will be co-hostess.

Luncheon reservations at \$1.50 per plate should be made with Mrs. Roy Adams, not later than Monday, March 25.

The program chairman for the afternoon, Mrs. LeRoy Reese, presented Mrs. John W. Towle who gave a most interesting talk on "George Washington as a Gardener."

Mrs. Towle stated that due to the fact that he owned thousands of acres of virgin land, much of his work was supervisory and he had many beautiful and unusual trees and shrubs moved to his ancestral home at Mt. Vernon.

Mrs. Simon Sutton gave the flower calendar for March. Guests for the afternoon were Mrs. Carrie Templeton of Los Angeles, Calif., and her hostess, Miss Mable Mallonee, also Mrs. Barter's daughter, Mrs. Mary Louise Streich and the guest speaker, Mrs. Towle.

After the program guests were invited to the dining room where refreshments were served from a beautiful lace covered table. Assisting the hostess were Mrs. Harry Dorris, Mrs. Ed Gaskins and Mrs. S. M. Farrar.

Hundred at Dinner by Baptist Adult Classes
Held Friday Night

Four classes composing adult department No. 3 of the First Baptist church had dinner together in a fellowship evening at the education building Friday evening.

Cecil Pulliam, superintendent of this department, and assistant superintendent, Ed Creek had the help of Mrs. Archie Abney as general chairman, Miss Frances Cummins, entertainment, and Mrs. C. C. Porter and Mrs. James White, decoration.

It was a St. Patrick's Day party, with church loyalty as the religious theme. Rev. Joe Morman, pastor, and Charles Hurt, education director, spoke briefly, urging more visitation and personal invitation to increase Sunday school attendance.

Miss Cummins played two Irish ballads, "My Wild Irish Rose" and "When Irish Eyes Are Smiling," sung by her co-chairman, Guy Lawrence. She also accompanied Mrs. Herman Davis, who sang "A Little Bit of Heaven."

A dozen men were then called up for a routine of calisthenics, and later some of the same group took part in a parade of Easter fashions fresh over from Dublin and Cork. Any one of the dozen would have won an "Oscar" in Hollywood. A sack busting relay for two teams of women was won by the team of which Mrs. Abney was captain.

Centerpieces featured harps from Tara's halls surrounded by greenery supplied by Mrs. White, who also provided real shamrocks for the tables on which little Irish men and women with grapefruit faces were sentinels.

Lowden Pankey had made a cake in honor of the departmental teachers which centered the buffet and after the dinner this was taken to Mrs. Charles Mitchell, a department teacher who is ill. Mr. Pankey also made the delicious rolls served and a large sheet cake for the party.

Mrs. Abney was assisted by Mrs. Dan Minner, Mr. and Mrs. Finis Williams and Mr. and Mrs. Charles Gibbons.

So successful was the party that the men present have asked for repeats in picnic form, to be held in June and August, Mrs. Abney said.

Union Grove Handicraft Club Makes Braid Handbags
The Union Grove Handicraft club met Feb. 26 for an all day session at the home of Mrs. Cleo Bond.

Calendar Of Meetings

I. O. O. F. Arrow Lodge 386 will meet Monday at 7:30 p. m. All members urged to attend. Visitors welcome. William Roberts, N. G.

Galatia Masonic lodge No. 684, A. F. and A. M., will hold its regular meeting Monday at 7:30 p. m. John Boyett, W. M.

Eight Canadian Airmen Killed In Plane Crash

OTTAWA (AP)—Canadian Air Vice Marshal Robert C. Ripley and seven Canadian airmen were killed Friday night when a two-engine B25 crashed and burned on a country road 13 miles south of Ottawa.

The plane, flying from North Bay, Ont., to Ottawa, was believed to have exploded in flight before plunging to earth close by a heavily-travelled highway.

There were no survivors. Ripley was 44.

The converted bomber was coming in for a landing at Ottawa's Uplands Station when it crashed. It was the second Royal Canadian Air Force Mitchell transport to crash in two weeks. The first crashed Feb. 16 at Winnipeg after running out of gas. No one was killed, however.

Residents in the vicinity of Friday night's crash told air force investigators they were startled by a brilliant flash that lighted up the sky, followed by a thunderous explosion, then an earth-shaking thud.

A crash truck crew, which extinguished the fire, said there were no survivors.

Indiana Union Workers to March on Capital

INDIANAPOLIS, Ind. (AP)—Thousands of union workers scheduled a march on the Indiana Statehouse today to demand that Gov. Harold Handley veto a "right-to-work" bill which bans the union shop.

Handley said, however, he planned to allow the bill to become a law by not signing it. Under the Indiana constitution, if Handley fails to either sign or veto it by Tuesday, it will automatically pass into law.

Extra state police were rounded up and assigned to the Statehouse area in preparation for the demonstration which labor officials promised would "be orderly."

The bill, which would forbid the firing of any worker who refused to join a union, was passed Friday after days of stormy debate.

Garden Calendar For March

As Suggested by the Garden Club
Don't take coverings off plants too early. There is no need exposing plants unnecessarily to the last biting blasts of winter. Uncover gradually. If possible, choose dull, moist weather for the job.

Sow hardy vegetables and annuals as soon as the ground is workable.

Finish all spring pruning including that of hybrid tea and hybrid perpetual roses. Apply dormant sprays to control scale insects and some other pests and diseases. Use the spray before the buds burst. Don't let lime sulphur drift onto painted surfaces for it stains them badly.

Sow seeds of most annuals that are to be raised indoors, for planting out later. Six to eight weeks is enough for most kinds to reach planting-out size.

Hospital Notes

Harrisburg Hospital
Admitted:
Mrs. Kestner Wallace, RFD 3, Harrisburg.
Mrs. Harriet Davis, RFD 2, Harrisburg.
Mrs. Mollie Morse, Robbs.
Mrs. Nora Rose, 928 Dorris.
Harve Woods, RFD 2, Harrisburg.
Elbert Winkelman, 620 West Lincoln.

Whittaker is Appointed to Supreme Court

WASHINGTON (AP)—President Eisenhower today named Charles Evans Whittaker, Kansas City, Mo., to be associate justice of the Supreme Court.

Whittaker, now a judge on the U. S. Court of Appeals for the 8th Circuit in Kansas City, was named to succeed Associate Justice Stanley F. Reed, who retired Feb. 25.

Whittaker, 56, is a Republican. He is a native of Troy, Kan.

The 8th Circuit covers Minnesota, Iowa, Arkansas, Missouri, Nebraska, North Dakota, and South Dakota. Whittaker maintains his offices in Kansas City.

President Eisenhower appointed Whittaker as a judge on the Appellate Court on June 5, 1956. The President previously had named him to the U. S. District Court of the Western District of Missouri on July 8, 1954.

Whittaker's appointment was sent to the Senate for confirmation. He is the fourth justice named to the court by President Eisenhower.

The new court lineup will be five Democrats and four Republicans.

The Republican justices, in addition to Whittaker, are Chief Justice Earl Warren and Associate Justices Harold H. Burton, and John M. Harlan.

Democrats on the tribunal are Justices Hugo L. Black, Felix Frankfurter, William O. Douglas, Tom C. Clark and William J. Brennan Jr.

Not Too Late to Send Contribution To Heart Fund

Heart Month has closed, but it is not too late to help your heart with a contribution to the 1957 Heart Fund, said Mrs. R. W. Rankin, County Heart Fund chairman for the Illinois Heart Association.

"Letters have been sent to residents in Harrisburg asking their support of the Heart Fund," Mrs. Rankin reported. "Many returns have already been received by the Heart Fund treasurer, Marion Humm, 218 South Jackson street, but it is hoped that those who may have put their letter aside to take care of later will send their contribution now so that we can wind up our local drive."

"Anyone who did not receive a letter, but still would like to make a contribution, may mail his check to the treasurer," concluded Mrs. Rankin.

A Message from Rainbow's Drug Store

THE COMPOUNDING OF PRESCRIPTIONS requires pharmacists to continuously strive for absolute perfection. No detail is considered unimportant.

EVERY PRESCRIPTION must be carefully read to make certain we know what your physician has specified. Every ingredient is checked, re-checked, and then finally checked once more to make certain we have selected the right one. An error is unthinkable.

WHEN YOUR PRESCRIPTION contains more than one ingredient we must use our pharmaceutical knowledge to so combine them that the completed prescription will best accomplish the desired effect.

THE PRESCRIPTION LABEL must contain the exact information your physician directs so that you can properly take the medicine.

WE MUST PERMANENTLY record every prescription so that the information in it is available for future reference.

AFTER WE HAVE completed your prescription, just before you get it, we once more check everything about it. We know that in it is our reputation. When you entrust your prescription to us you place your very life in our hands.

Woman is Killed, Seven Hurt in Two-Car Collision

JOLIET, Ill. (AP)—One woman was killed and seven persons, including two small children, were injured in a two-car collision Friday night near the intersection of U. S. 30 and U. S. 45 east of here.

The victim was Mrs. Clara Lee Butterfield, 43, who was riding in a car driven by her son, Glen Butterfield, 20, of Chicago.

The injured included Butterfield and his wife, Arlene, 20, Mr. and Mrs. Robert Sparks, of Chicago, their two children, Marcia Ann, 1, and Robert Dale, 2, and the driver of the second car, the Rev. John C. Williams, 35, of Milwaukee.

Police said Williams apparently was turning off a side road on U. S. 45 about a mile north of its junction with U. S. 30 when the car driven by Butterfield collided with his auto.

Pope County Woman Dies

Mrs. Rachel Bryant, 93, of the Flat Rock community in Pope county, died Friday at 8 a. m. at the Harrisburg hospital. The body lies in state at the home of the son, Earl Bryant, at Stonefort.

Funeral services will be Sunday at 2 p. m. at Powell church near Norris City and burial will be in the church cemetery. Rev. L. L. Gullett and Rev. George Daugherty will officiate.

The Palmer and Aly funeral home of Eddyville is in charge.

Pope Celebrates His 81st Birthday

VATICAN CITY (AP)—Pope Pius XII, brought to the threshold of death by illness two years ago, celebrated his 81st birthday today in apparently robust health.

Today also marked the 18th anniversary of his election as head of the Roman Catholic Church, making his reign the longest of this century.

Flowers and telegrams poured into the Vatican from Roman Catholics all over the world. But at his own request the twin anniversary will pass this year without pomp or formal ceremony.

Card of Thanks

WILKINSON—Mrs. George Wilkinson and family wish to thank friends, relatives and especially their neighbors for their kind expressions of sympathy, beautiful floral offerings and special deeds of friendship. They especially thank the Rev. Wm. Fuson and the Rev. Otto Williams, the singers, and the pallbearers.
All that was said and done was sincerely appreciated. 207-1

In Memoriam
In loving memory of Henry Farmer, on his birthday, March 8 and who passed away March 3, 1953:
When the evening shadows are falling and I am all alone,
My heart is breaking and wishing you could come back home.
They took the sparkle from his eyes, along with the vivid blue,
And placed a bright star in the skies to shine on me and you.
He was too pure on earth to stay, so early meant for heaven.
Gone is my angel I loved so dear, silent the voice I loved to hear.
Sad but true, I wonder why, the best are always the first to die.
He said goodbye to none, for heaven's gates were opened wide,
And a loving voice said, "Come home."
Sadly missed by his mother, Mrs. Grace Farmer, and brothers and sisters. *207-1

ATTEND CHURCH SUNDAY

That mail-box on the city corner . . . that post office at the country crossroads . . . what would we do without them?

Life is too complex for us to live by ourselves. Man's interests and his welfare reach far beyond the boundaries of his community. Communication with people and corporations hundreds of miles away is a part of modern living that we take for granted. We have to "keep in touch."

But long before life became so complex, men discovered their need for another kind of communication—prayer. The courage and faith and hope which steel men for the challenge of each day come from God. The deep spiritual needs of the soul can be supplied only by keeping in touch with God.

We think our mail-boxes are indispensable! Even so, one church means more to a community than all its postal facilities. For not so long ago men lived very happily without a postal system. But men have never lived happily without God!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

'The Great Confession'

GOLDEN TEXT: "He saith unto them, but whom say ye that I am? And Simon Peter answered and said, thou art the Christ, the Son of the living God." (Matt. 16:15-16)

INTRODUCTION—Simon Peter never in all his life uttered any greater words than those found in the Golden Text. The primary reason for their greatness is that, "Flesh and blood did not reveal them unto him but the Father which is in heaven." (V. 17)

The greatest question that was ever asked Simon Peter was asked by Jesus: "Whom say ye that I am?" That question comes to everyone. Your answer to it determines your life, your character and your destiny.

THE IMPORTANT QUESTION (13-16)

Many times in school we have been asked questions. At home we are asked questions. In our business and social life questions come. However, these questions do not have to be answered. BUT—the question in this text: "Whom say ye that I am?" MUST be answered. You cannot escape it. To avoid it is to give a definite negative answer which leads you straight to hell.

There were folks in his day who did not believe him to be the Messiah. However, some did think that he was "Elias or John the Baptist, or Jeremiah, or one of the prophets." (V. 14) They had their opinions as to whom he was. So do you! Those disciples had to answer personally, whom they thought Jesus was. So do you! What is your answer?

THE ANSWER (17-20)

The Holy Spirit prompted the answer which came from Simon Peter's mind and lips. (I Cor. 12:3.) God spoke to the mind of Simon Peter.

This was actually a revelation of the person and work of Christ. It is the foundation upon which Christ built his church. Jesus is the chief cornerstone. (I Peter 2:7) of the church, and Peter and the other Apostles were built into that foundation—(Eph. 2:30).

The scripture is clear here that Peter was given no special authority. The keys to the kingdom were no more given to him than to any other follower of Christ. We all have the power to "bind and loose" on earth by telling lost people of their condition and destiny.

CONCLUSION—THE CROSS (21-27) From that day forward Jesus began to tell his disciples that he must go to Jerusalem soon

and suffer many things. He was trying to let them know that the time for him to pay the ransom price on Calvary was near at hand. He then tells them and us that we should: "deny ourselves and take up our cross, and follow him."

Friend, it is not easy. You will not always "make friends and influence people" the way you want to, but it is the right way, the happy way; yes, the only way.

Mt. Pleasant Baptist
W. H. Hughes, pastor

Sunday school 9:30 a. m. Frank Williams, supt.
Morning worship 10:45.
Evening worship 7, with observance of The Lord's Supper.

Monday 1 p. m. Mary Smith circle meets with Mrs. Essie Fields; 6 p. m. junior choir rehearsal; 7, ushers meeting in the lower rooms of the church with Mrs. Nellie Adams hostess.

Collinsville, Elgin Close Out Undefeated Seasons

By United Press
Carbondale Attacks, Ashland, Bardolph and New Athens led a list of 42 prep basketball district champions crowned Friday night, while Elgin and Collinsville finished out undefeated seasons.

Attacks smashed Hurst Bush, 53-40, to win in its own district. Once-beaten Ashland rolled over Easton, 83-67, in the final at Easton.
New Athens, another once-beaten entry, clipped Steeleville, 51-49. Bardolph, which has lost only twice all season, edged Stronghurst, 64-60, at Gladstone.
Freeburg's Midgets won the title at Mascoutah, racking O'Fallon, 62-49.

All the district winners will enter regional play with the big-

Lane Expects Braves Deal for Schoendienst

ST. PETERSBURG, Fla. — Frank Lane, general manager of the Cardinals, maintained today the Braves would have won the National League pennant last season had Red Schoendienst played second base for them.

And he indicated he wouldn't be surprised if Milwaukee made a deal for Schoendienst before the start of the coming season.
Lane disclosed that General Manager John Quinn of the Braves has asked him several times recently what he thought of Schoendienst's arm.

"I keep telling him his arm is as good as it was 10 years ago," Lane said.
Lane recalled that he offered the Braves Schoendienst a year ago for first baseman Joe Adcock and pitcher Bob Buhl.

"I'm convinced they would have won the pennant if they had made the deal," he added. "When they didn't, I traded him to the Giants."
Lane defended that Giants' deal on the grounds he did not figure the Cardinals had a chance to win the pennant last year so he wanted to give rookie Don Blasingame experience.

"If I had thought we had a chance to win it all, I'd have kept Red," he explained. "But that would have meant Blasingame would have sat on the bench for most of the season."

After Schoendienst was traded to the Giants he was out for several weeks with a sore shoulder, but came back to play brilliant ball.

Paolo Rosi Snaps Gonsalves' Winning Streak

NEW YORK — Paolo Rosi, the baldish Italian lightweight slugger who snapped Johnny Gonsalves' unbeaten string at 13, challenged for the title today.

Rosi was unranked among contenders when he squared off against third-rated Gonsalves of Oakland, Calif. at Madison Square Garden Friday night; but he chased lanky Johnny from rope to rope in nearly every round to gain a split decision.

Manager Charley Johnston announced today, "Rosi and I are offering a guarantee of \$50,000 for a title shot at champion Joe Brown — at any site Brown selects."

ger schools starting Monday.
In non-tournament play, Elgin, No. 1 team in the state, rocked Joliet, 70-60, to finish its regular season with 21-0 mark.
Collinsville ranked No. 2 in the state, wound up with a 26-0 record on a 68-37 rout of Quincy.

Rock Island and Rock Island Alleman, also among the state's top 15 teams, finished their regular campaigns, too. Rock Island grabbed its 21st win against 2 defeats by dumping Kewanee, 59-54. Alleman ran its record to 23-3 in a 60-51 triumph over Quincy Notre Dame.

Paris finished out with a 23-2 record by barely edging Oblong, 41-40.
Bloomington upset Peoria Central, 62-61, while Pekin rolled to its 18th victory, 67-57, over Streator.

Sixth-ranked Chicago Heights Bloom finished with a 22-1 season by smashing Thornton, 65-47.

In other top games, Galesburg beat East Moline, 68-50; Campaign whipped Lincoln, 62-50; Evanston shaded Cicero Morton, 51-50, and Ottawa beat Sterling, 60-54.

133 Nominations For Kentucky Derby on May 4

LOUISVILLE, Ky. — Only 133 three-year-olds were nominated today for the 83rd Kentucky Derby at Churchill Downs May 4, but the star-studded list more than made up in quality whatever it lacked in quantity.

A year ago 168 aspiring champions were named for the first of the triple crown classics. Although the 1957 roster fell 35 short of that mark, there were 29 stakes winners—one out of every five—among the young horses being pointed for the one and one-quarter mile gallop for gold and glory.

A total of 88 owners paid \$100 for each of the horses they named for the first of the triple crown classics with Calumet Farm revealing a strong hand with six nominations and the Wheatley Stable just as powerful with only one.

The horses listed by the Calumet Farm of Mrs. Gene Markey were Barbizon, the 1955 juvenile champion, Gen. Duke, Iron Liege, Boone Blaze, Simon Kenton and Whig. Mrs. Henry C. Phipps, mistress of the Wheatley Stable, placed her sole reliance upon Bold Ruler.

The stakes winners listed, in addition to Barbizon, Bold Ruler and Gen. Duke, are: Ambehaving, Ambolero, Balaklava II, Barouche, Beaupierre, Buford, Clem, Cohoes, Federal Hill, Gaelic Gold, Gallant Man, Ghan Fleet, Joe Price, King Hairan, Lucky Mel, Melson, Missile, Mister Jive, Mr. Sam S., Pajama Tops, Prince Khaled, Probrandy, Round Table, Royal Academy, Sir William and Swirling Abbey.

There were no fillies nominated for the derby this year nor were any named for the Belmont Stakes which topped the derby this year with 147 nominations for its June 15th running. Nominations for the Preakness Stakes May 18 have not been announced. Twelve of the derby horses are geldings and the remainder colts.

TROPHIES FOR CHURCH TOURNAMENT WINNERS. The church-sponsored basketball tournament will start next week, exact date and time to be announced later, with play in three age groups and trophies will be awarded the championship team in each group. Rev. Glen Daugherty, pastor of the Christian church and church basketball commissioner, picked out the trophies Friday morning. He announced today five churches had entered the Junior division—McKinley Baptist, First Methodist, First Baptist, Dorrisville Baptist and Presbyterian; five are in the Intermediate group—First Baptist, Dorrisville Social Brethren, Presbyterian, Dorrisville Baptist and McKinley Baptist; seven in the Senior group—Presbyterian, McKinley Baptist, Christian, Sloan Street General Baptist, Dorrisville Social Brethren, Dorrisville Baptist and First Baptist. There is room for three additional teams in each the Junior and Intermediate groups and one more team in the Senior group. Teams will be accepted until Monday morning, Rev. Daugherty said. Entry fee is \$2.50 per team. Trophies are now on display in the Skaggs Pharmacy window.

—(Daily Register Staff Photo).

Carrier Mills Wallops Metropolis, 91-63, in Warmup for Tourney

Wildcats Complete Regular Season With 23-1 Record

Carrier Mills tuned up for the coming Norris City regional tourney by walloping Metropolis Friday night 91-63. The game was played on the loser's floor.

After a close first quarter and a fairly even half, the Wildcats went on a 51-point scoring rampage in the last half and held the home club to 34 to turn the game into a near rout.

Carrier Mills, completing the regular season with a 23-1 record, was guilty of sloppy play throughout, particularly in the first two quarters.

Eldorado Places Three on Southern Illini Loop Squad

Coaches of the Southern Illini conference have selected the loop's first all star basketball squad. Eldorado and McLeansboro had three players selected to the ten man squad and Johnston City and Metropolis split the other four places.

The conference all-stars: Donald Kingery, senior, Richard Overton, senior, and Leonard Willis, junior, Eldorado;
Roger Sloan, senior, Richard Dietz, senior, Ronnie Sandusky, junior, McLeansboro;
Bob Taylor, senior, and John Humma, junior, Metropolis;
Melvin Reed and Jerry Clayton, both seniors, Johnston City.

SAFETY FIRST — Bonnie Randolph, Columbus, O., pro, models the latest in golf hatwear—a coolie-type affair hard enough to shield the wearer if any stray golf balls landed on his head.

Looking At Sports

By BILL MELTON

Two basketball teams that have their followers shaking their heads and asking questions will meet in the final game of the opening round of the Norris City regional tourney.

McLeansboro, probably the biggest disappointment of this season, has had fans shaking heads and asking "what happened?" almost from the start of the schedule.

Harrisburg has hit a hot streak as the season neared the end and the local fans are shaking their heads happily and asking "can the team keep going?" And many answer their own question with a loud, clear "Yes."

The McLeansboro Foxes are a veteran outfit. Most of this year's varsity were members of the outstanding freshman outfit of four years ago, stepped into a varsity position or at least a high reserve place as sophomores, looked great as juniors and the fans were talking quite confidently of "going to the state in 1957."

Then something happened. The team tailed off and only occasionally has hit the stride expected during the current season. Of course this isn't the first time—and definitely won't be the last—that a potentially great team failed to materialize.

Some call it "senioritis," some just mutter and many say that some boys just hit their stride earlier than others. No one knows.

Probably the high spot of the McLeansboro schedule was a 75-55 victory over the highly regarded Carmi Bull Dogs. But a few days later Carmi claimed an 82-63 decision over the Foxes to even the score. In about a week's time there was a 39-point spread between the two teams. McLeansboro winning by 20, then losing by 19. All in approximately a seven-day period.

On the Harrisburg side of the picture, the fans, naturally, were hopeful that the Bull Dogs would enjoy a good season, but really didn't have hopes too high.

And the team got off to a slow start that didn't generate much early fan enthusiasm. BUT now it's a different story. The Bull Dogs are racing along the victory road. Add the fans love it and are ready to back the team all the way.

Harrisburg lost nine of the first twelve starts. Then came more defeats, and another victory. Then things began to look brighter, even in defeat.

Harrisburg lost close ones to West Frankfort and Centralia, both well regarded.
And then it really happened. Five victories in as many starts—making McLeansboro, Benton, Eldorado, Mt. Vernon and Johnston City the victims.

Yes, things are looking up for the Bull Dogs. Harrisburg fans are happy and neighboring towns are beginning to talk about the "dark horse threat" from Harrisburg.

The Bull Dog scoring attack has been well balanced, four players over the 200 point total and a fifth well up. Ray Hasset tops the list with 308, closely followed by Wayne Stone's 290. Ben Fulkerson has scored 255, Bill Henshaw 247. John Zeigler has 150, Jim Cummins 105 and Charles Cummins 91. Good balance!

Roger Sloan is McLeansboro's big gun with 448, an average of 18 per game over the season. Other top point makers are Deitz 326, Hall 234, Sandusky 229 and Gateley 114.

Sloan has been a consistent scorer over the past three years. As a sophomore he scored 449, 536 as a junior and now this season he had 448.

Paul McKinnis of Eldorado, who officiated in the Big Ten and Missouri Valley conferences, along with many other places during the past twenty years before retiring due to an injury a season and a half ago, is personally acquainted with the big time college official rumored to have used a "biased" whistle to influence the outcome of basketball games. It is alleged to have been a part of a big gambling syndicate.

McKinnis told this writer recently—"I know the official very well. Have worked with him in many games. I have always known him to be a hard working, honest, independent official. I don't think he is guilty of any wrong doing."

Miss Faye Cheek Crowned Eldorado Basketball Queen

Miss Faye Cheek was crowned Eldorado Township high school Basketball Queen of 1956-57 Friday evening.

Coronation ceremonies were held following the presentation of the Junior class play, "Twelve Angry Men," in Dodd auditorium.
Members of Queen Faye's court were Barbara McCallister, Myra Cox, Judy Bramlet and Judy Latham.

New Englanders and Westerners are the heaviest coffee drinkers in the United States.

Tar Heels End Perfect Season with 86-72 Victory Over Duke; Face Tourney

By United Press
Lennie Rosenbluth sparked the North Carolina Tar Heels to major college basketball's only perfect record this season, but don't expect Coach Frank McGuire to flash his biggest smile for a few weeks yet.

McGuire's Tar Heels ended their regular campaign with a 24-0 record Friday night when they invaded Durham, N. C., and handed Duke its first home court defeat of the season, 86-72. Rosenbluth scored 40 points, including eight in the last three minutes after Duke had rallied to lead, 70-69.

But McGuire and his players can't relax. The Atlantic Coast Conference stages a tournament to select its representative in the NCAA championships and North Carolina must sweep three games next week to assure itself a berth in the national competition.

UCLA Beats California

At Berkeley, Calif., Dick Banton's 25 points helped fifth-ranked UCLA edge a half-game ahead of California in the Pacific Conference race with a 71-66 victory. The game was marred by brief fights on the floor and in the stands. It promises to be an interesting weekend at Berkeley, because the two leaders clash again Saturday night.

Brigham Young, led by John Benson and Harry Anderson, clinched at least a tie for the Sky-line Conference title by trouncing last-place New Mexico, 67-41.

The Dayton Flyers ended their regular season with an 18-8 record when they visited the University of Cincinnati and won, 67-63. Both Dayton and Cincinnati will play in the National Invitation Tournament.

Temple, scrambling for a tournament bid, increased its chances by upsetting St. Bonaventure, 72-69, in overtime at Philadelphia. St. Bonaventure, already in the NIT, couldn't cope with Mel Brodsky and Guy Rodgers, who scored 22 and 21 points, respectively.
